

Consumption bars are a great option for clients working with a set budget. With a consumption bar, you are able to keep the bar open on a "consumption tab" up to a pre-determined limit. For example, you can set a \$1,000 limit to be spent at the bar. After the \$1,000 limit is reached the bar service would either close or you could convert to a cash bar - where your guests pay for their drinks. Cash bar prices are all \$1 more than the consumption prices below.

A sample charge from a consumption bar would look like this: four guests order five drinks made with a premium liquor (\$5/drink) you accumulate \$25 in charges.

THE FOLLOWING ARE INCLUDED IN THE \$6.25/PERSON SETUP FEE: BARTENDING SERVICE, SECURITY, SETUP/CLEANUP, CUPS, NAPKINS, STRAWS, ICE, BAR TOOLS, NON-ALCOHOLIC BEVERAGES, MIXERS FOR LIQUOR, AND FIVE HOURS OF SERVICE.
